## TO OUR COMMUNITY,

As I reflect on 2024, I am reminded of the incredible strength of the YMCA of Greater Michiana community. Every day, I see the impact of people coming together—generous donors, valued members, dedicated staff and partners, and tireless volunteers—all working toward the shared goal of helping individuals and families thrive.

This past year, the Y has strengthened its role as a place of connection and growth. From youth programs and swim lessons to wellness initiatives and community partnerships, the Y continues to create opportunities for people of all ages and backgrounds to feel supported and empowered. The impact of this work extends beyond the walls of our facilities—it’s felt in schools, neighborhoods, and homes throughout the region.

As we look to the future, I am excited about the opportunities ahead and confident that, together, we will continue to build a healthier, more connected community. Thank you for being part of the Y’s story—you make this work possible.

# A LOOK AT 2024

## 2021-2024 Strategic Plan Accomplishments in 2024

### YOUTH DEVELOPMENT

We provided youth and teens with programs that strengthen social responsibility and character values. We supported before and afterschool care, preschool, summer camps, holiday camps, sports leagues, swim teams/lessons, kids night out, nutrition and physical education.

### HEALTHY LIVING

We aligned with local community needs to provide support for a healthier community through programs that address cancer survivors, food insecurity, CPR/First Aid, nutrition and physical education. We stay committed to building a healthy environment with our local partners.

### OPERATIONAL & FINANCIAL

Each year we establish a fund development plan encompassing annual, capital, and fundraising event goals to support the Y's programs, financial scholarships, and capital needs. In 2024, contribution and fundraising revenue represented almost 20% of the Y's total revenue.

# EVERYONE »»» has a ««« STORY

To tell the story of the YMCA of Greater Michiana, we must also tell the stories of our members and those impacted by the work we do. Over the next few pages, we invite you to read Y stories we collected from members and staff in 2024.

## DIVING INTO HEALTH AT THE Y

(Pictured - Left: Christine Sturgill,  
Right: Anne Held)

**F**or Christine Sturgill and her friend Anne Held, a simple kickboarding routine turned into a life-changing journey. After Christine faced complications from a hysterectomy, the two friends began swimming across a local lake, helping Christine regain her strength and overcome severe shortness of breath. But as the weather cooled, they needed a new place to continue their routine—leading them to the Downtown South Bend YMCA.

“We FELL IN LOVE with the YMCA DOWNTOWN!!!” Christine shared. “We immediately became part of a community that willingly opened their arms and accepted us.”

Since joining, they’ve lost a combined 131 pounds and gained something even more valuable—a welcoming, supportive community. Whether it’s sharing lanes in the pool or unwinding in the hot tub after a workout, Christine and Anne have found their hidden gem in the heart of downtown.

# WE GROW PEOPLE AT THE Y

For nearly 14 years, I've had the privilege of being a part of the Y community, and it's been a journey that has shaped my life in so many meaningful ways. My story began at River School in Sodus #5, where I first came to the YMCA as part of the Healthy U program. I was fortunate to be guided by the wonderful Monica Norton (currently the Senior Healthy Living Director) during that time. Additionally, I had the opportunity to learn swimming under the instruction of the incredible Mary Lamar and LeeAnn Schneider—experiences that set the foundation for many of my future accomplishments.

This partnership wouldn't have been possible without the dedication of the YMCA staff and the vision of River School's principal at the time, Andy Velez, who also worked at the Y and helped make this collaboration happen.

A year later, my mother, Rachel Reynolds, began working at the YMCA in housekeeping, further strengthening our family's connection to the Y. She gradually climbed her way up as have I and is now the Housekeeping Manager. She would bring me and my sisters to swim, play in the gym, and enjoy the KidZone—programs that the Y offered at the time. We also participated in community events like Race for Y, Healthy Kids Day, Trunk or Treat, and countless other opportunities to engage and give back.

Fast forward nine years, I started working part-time at the Y's front desk. Over the years, I've been fortunate to grow within the organization, eventually becoming the Member Services Manager (Front Desk Manager). I owe so much to the Y, to the amazing staff—Monica, Mary, LeeAnn, Andy, Rachel, and so many others—for their unwavering support in helping me achieve my personal and professional goals. I'm still on this journey, and I'm excited for the many more milestones ahead.

The YMCA has always felt like family to me, and I can say without a doubt that once you join this community, you never want to look anywhere else to learn, grow, and thrive. The Y has been there for me at every stage, and I am incredibly grateful for the role it continues to play in my life.

– **Marissa Stanage, Member Services Manager**

## Building Bright Futures

I cannot say enough good things about the Great Start Readiness Program (GSRP) program and the staff at Northside Child Development Center. As a parent, when you enroll your 1st child into school, it can be a nervous time for all but, the teachers, and the rest of the staff at Northside are so incredible at making it a smooth transition and a positive experience! My oldest son did a year in preschool at Northside through GSRP and that set the tone for him and his future. He became more social with other children in addition to being prepared to enter kindergarten.

This is my 3rd year in a row having a child in the GSRP program and my boys, especially Tate, who is in his second year of preschool, consider these teachers family. Mrs. Obenchain, Mrs. Dienes, Mrs. Becraft and Ms. Jade have made a tremendous, positive impact on my boys' lives and I can't thank them enough for their patience, dedication, and love that they have shown my babies.

I look forward to next year, when my youngest gets to attend the GSRP program and have the same experience as his older brothers. I highly recommend the GSRP program at Northside.

–**Stephanie Ernsberger, Parent**

# WHY WE LOVE THE Y

For me, the Y is a daily habit for physical exercise, regular challenges, staff engagement, and social interactions. On the few holidays, it is closed, and I miss it, the patrons, and the staff. Many thanks for being an important part of our community.

**- Kent Laudeman, Member, Niles-Buchanan YMCA**

I have had great interactions with other members and staff. YES, the Y has helped me with my ailments and illnesses. I love YMCA O' Brien Center. Safe, close to home, easy parking, great staff and beautiful natural environment outside. I would be lost without the YMCA O' Brien Center. Love it.

**- Terry Scheibelhut, Member, YMCA O'Brien Center**

Overnight camp is such a crucial part of a child's development. My siblings and I attended Camp Eberhart as kids and it was important for me that my children did the same. The skills and independence that you get from camp is an experience I would want for every child to have. Some of my best childhood memories are from Camp Eberhart and now my daughter gets to have those moments of her own.

**- Parent of Camper, YMCA Camp Eberhart**

I love the Y because it offers everything anyone could look for in a gym. The locker rooms are always clean. I appreciate that bacteria wipes are available to clean equipment before & after use. Everyone is friendly. There are various options to exercise from the fitness classes, exercise machines, pools, and gymnasium. I love it and am so happy I've joined. I've gotten 2 of my friends to join as well.

**-Nikole Kovalak Member, Downtown South Bend YMCA**

In 2023 I was diagnosed with breast cancer. I was scared, but ready to fight a good battle to beat this disease.

When I was going through my treatments, one of the trainers at the Y (Courtney, I call her my angel), mentioned that I should join the Livestrong program to help me gain strength and meet some other folks going through similar journeys.

I signed up for the 12 week program and it was the BEST thing I've ever done! Each week I looked forward to learning new exercises and experiencing how to use the Y equipment to build my core strength!

All of the instructors were amazing! Courtney, Linda, Taylor, Lydia and Sue were delighted to impart their wisdom on our class. We learned what each machine was used for, how to do dance steps and special exercises to help erase the weakness we suffered from our cancer treatments.

All of the group became friends on this journey and to this day we all stay in touch with each other via phone calls, group texts and lunches! I couldn't have asked for a better support group!

I'm not sure where I'd be without the YMCA! Thank you from the bottom of my heart!

# 2024 YMCA CAMP EBERHART

For 116 years, YMCA Camp Eberhart has been a place where kids build confidence, develop lifelong skills, and form lasting friendships. In 2024, nearly 3,000 summer campers experienced the adventure of camp, learning new skills, making friends, and strengthening core values like caring, honesty, and respect.

“One of my children went to camp this year extremely apprehensive and was very reluctant to join in. By the end of the week, their confidence and joy were unbelievable! They felt right at home, had clearly bonded with their cabin mates, and were full of hilarious and touching stories about the week. I am in awe of what Camp Eberhart can do!”

– Parent of a YMCA Camp Eberhart Camper

Beyond summer camp, Camp Eberhart offers outdoor education programming in the spring, fall, and winter—serving nearly 4,000 students from 89 schools and youth organizations in 2024. Family camps provide another opportunity for connection, giving families a chance to spend quality time together in nature over holiday weekends.

# ANNUAL GIVING

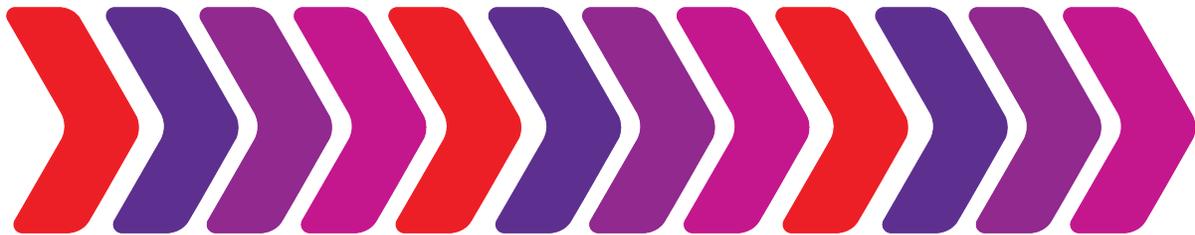

The YMCA is a non-profit charitable organization whose mission is to meet the needs of the community. The YMCA serves thousands of people of all ages through programs, community collaborations, partnerships, and childcare. Programs like aqua aerobics, swim lessons for drown prevention, preschool, all-day childcare, after school care, day & resident camps, wellness & fitness, disease prevention, pickleball, sports, stress management, corporate wellness, dance, and more, serve the needs of youth, teens, families, and seniors. We don't just strengthen individuals; we strengthen and build community. Find out how you can support the YMCA and the mission of building community by visiting [ymcagm.org/giving](https://ymcagm.org/giving).
