Beacon, Saint Joseph and Franciscan Health Systems are partnering to host a **FREE** COVID-19 vaccine clinic for first, second, and booster **Pfizer** vaccines. Anyone 5 years of age and older are eligible to receive first and second doses. Anyone 12 years of age and older are eligible receive an updated booster dose. For more information please visit our website: **covidsmart.org**.

**To register:** To expedite your visit, please register at **ourshot.in.gov**. Walk-ins are welcome.

**What to bring:** Vaccines are **FREE** and you do not need insurance to receive one, but if you do have insurance, please bring your insurance card. Please bring a form of ID and your vaccine card.

**Preparing for your vaccine & what to expect after:** Drink plenty of water before and after you receive your vaccination. Like other routine vaccines, you may get a sore arm, fever, headaches, chills, or fatigue after getting vaccinated. Most side effects are minimal and go away in a couple of days.

**Thank you** for doing your part to help keep us all safe and healthy! **For you. For me. For us.**
